| 5 <sup>th</sup> September 2023 | Version 9  |
| 13 <sup>th</sup> June 2025     | Version 10 |

### 1. Policy Statement

**1.1** This Spectator Safety Policy is compliant with the requirements and principles of The Equality Act 2010, particularly in respect of Part 7, dealing with 'associations and membership.

**1.2** It also complements, and operates in conjunction with, Information Sharing Agreements held between Bristol Rovers Football Club and the Police, Football Authorities and other Football Clubs and relevant venues and in compliance with GDPR.

## **BRISTOL ROVERS FOOTBALL CLUB**

**1.3** This Policy will be applied fairly, equally, and consistently to all persons, irrespective of age, disability, gender reassignment, marriage or civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation, or any other unjustifiable grounds.

## **2. Purpose**

**2.1** Bristol Rovers Football Club requires a clear and concise Spectator Safety Policy to demonstrate the Club's responsibilities for a 'Specified Activity', to clarify where lines of accountability exist and to outline the operational arrangements in place.

**2.2** A 'Specified Activity' is an activity authorised by the General Safety Certificate to be held at The Memorial Stadium.

## **3. Underpinning Procedures**

### **Allocation of Responsibilities**

**3.1** The Chairman and Finance Director (FD) of Bristol Rovers Football Club undertake to ensure that all the activities that take place at The Memorial Stadium, for which they are responsible, are conducted in such a way that the safety of every person at the stadium is maximised.

**3.2** Overall Executive responsibility for Spectator Safety remains with the FD.

**3.3** Operational responsibility for Spectator Safety is held by the FD.

**3.4** The Club's operational delivery of this responsibility is managed through the Clubs FD, Head of Facilities & Safety (Safety Officer), Deputy Safety Officer(s), Facilities Manager, officials, staff and stewards who will be trained, qualified as appropriate, briefed, and deployed in such a manner as to ensure the safety of those attending the stadium for a 'Specified Activity'. There is a duty upon all employees to ensure that the Spectator Safety Policy is fully and always adhered to.

**3.5** Safety policy is reviewed at regular intervals by the Clubs Safety Officer, and at least on an annual basis.

## BRISTOL ROVERS FOOTBALL CLUB

### 3.6 Organisation Chart

### Arrangements for Monitoring Policy

3.6 The following methods are used to monitor the Spectator Safety Policy.

#### a) Daily basis:

- Information on stadium safety issues is reported daily through contractors or Club staff to the Head of Facilities and Safety (Safety Officer). Any remedial action is actioned in accordance with the assessed level of priority.

#### b) Match Day:

- Pre-match & event site checks are conducted by maintenance personnel, and Safety Officer, with any associated reports being submitted to the Facilities Manager.
- Pre-match & event site searches and visual examinations are made by stewards and supervisors before the ground is opened to the public.
- Constant surveillance of the facility is conducted throughout the event and any identified issues are immediately reported through landlines or radio to the Stadium Control Room.

## **BRISTOL ROVERS FOOTBALL CLUB**

- Post-match, event site searches are conducted by stewards and supervisors, with any identified deficiencies being reported to the Club Safety Officer for the attention of the Facilities Manager.
- A full debrief of all Stand Supervisors is conducted by the Clubs Safety Officer.
- Comprehensive post-event reports are compiled by each steward supervisor and submitted for the attention of the Club Safety Officer.

### **c) Periodic Independent Monitoring:**

- A delegation appointed by the Safety Advisory Group enters the stadium on an annual basis to examine the site against the Club's Safety Certificate and reports its findings and recommendations to the club's Head of Facilities.
- The Safety Advisory Group will commission an individual event report on a regular and unannounced basis. The findings will be communicated to the Safety Advisory Group members and any recommendations discussed and actioned.
- The Sports Group Safety Authority will conduct periodic assessments against the Club's discharge of its responsibilities towards spectator safety and, where appropriate, will produce a written report with accompanying recommendations for the attention of the FD.

## **Crowd Management**

Entry and exit of spectators to the stadium:

3.7 All spectators entering Memorial Stadium for a "Specified Activity" must comply with the current ground Regulations. The Ground Regulations are displayed around the Stadium.

**3.7a** The means of ingress and the gangways within the stadium are at all times kept unobstructed whilst spectators are within the stadium for a 'Specified Activity'.

**3.8** All floor surfaces and steps throughout the stadium, which are available for use by spectators, are kept unobstructed, unrestricted, and free from trip hazards.

## **BRISTOL ROVERS FOOTBALL CLUB**

**3.9** The entrances to the stadium, and the means of access to those entrances and exits, are as specified in the plan which forms part of the Safety Certificate.

**3.10** Bristol Rovers Football Club shall ensure that during the performance of a 'Specified Activity', spectators are not permitted to stand in a gangway, vomitory or exit gate for the purpose of viewing that activity.

**3.11** No vehicles may be left within the stadium complex, except in specifically designated and marked locations and approved by the clubs Safety Officer.

**3.12** No equipment, goods or mobile sales staff shall be positioned during a 'Specified Activity' as to obstruct any exit or exit route.

**3.13** Bristol Rovers Football Club shall arrange for the flow rate of each turnstile to be measured and thereafter for periodic tests to be made to ensure that the anticipated rate of flow is achieved. Flow rates should be reviewed whenever admission arrangements are amended. Details of the reviews will be recorded and any variation in flow rates notified, in writing, to the council.

### **Management of spectators in the stadium:**

**3.14** Trained stewards and supervisors who are placed strategically throughout the stadium will carefully monitor all spectators whilst they are present inside the stadium.

**3.15** The Stewarding Plan for each event outlines the specific steward deployment locations.

### **Co-ordination with other Agencies**

**3.16** Either the Club Safety Officer or Deputy will attend any pre-match briefings to all partner agencies. Information will be gathered from all sources and disseminated.

**3.17** The Club Safety Officer or Deputy will Chair any required match-day briefings to all agencies and ensure post-match feedback is carried out.

## **BRISTOL ROVERS FOOTBALL CLUB**

### **Police**

**3.19** Bristol Rovers Football Club shall arrange for the attendance at a 'Specified Activity' of as many Police Officers within the stadium as the Club and Police consider adequate to secure safe, orderly, and decent behaviour within the stadium.

**3.20** The General Safety Certificate gives discretion to the Police to vary the mandatory positions of stewards in the event of potential or actual public disorder.

### **Fire**

**3.21** Any item of a flammable, explosive, toxic or corrosive nature held within the stadium, together with its dispensing apparatus, is securely stored in locked areas clearly marked with warning signs and labels, and subject to a risk assessment. Only the minimum quantity required for frequently occurring activities or that required for use during one shift is ever present on the stadium site. Bristol Rovers Football Club do not permit the storage of such items in such quantities that they require specific permits or authorities.

**3.22** Bristol Rovers Football Club shall at times maintain the stadium in a clean condition and not permit any accumulations of rubbish or any other materials, whether combustible or not. All receptacles provided for this purpose are made of non-combustible materials.

**3.23** Bristol Rovers Football Club will arrange for the training of all stewards in the procedures of firefighting, use of equipment and general fire prevention.

**3.24** Clear notices giving instructions for action in case of fire are provided in such positions as recommended by Avon Fire & Rescue Service and are printed in the Stewards' Handbook.

**3.25** Fire-fighting equipment and locations will be found in the General & Special Safety Certificate.

### **Medical Services**

**3.26** Bristol Rovers Football Club shall ensure, to the satisfaction of the Safety Advisory Group, the provision and maintenance at the stadium of a suitably equipped First Aid Room.

## **BRISTOL ROVERS FOOTBALL CLUB**

**3.27** The Club shall also arrange for the attendance of such number of qualified First Aid Attendants as its Medical Plan determines (based on the recommendations of the Green Guide) and as may be required by the Safety Advisory Group. There will be a minimum of 2 First Aid Attendants at any 'Specified Activity'.

**3.28** The Attendants' duties shall only relate to the administering of First Aid, and they should be located as prescribed within the Safety Certificate. First Aid Attendants shall be present at the stadium one hour prior to the turnstiles being opened for the event and remain at the stadium until the public have egressed at the end of the event and stood down by the Safety Officer.

**3.29** First Aid Room will have heating, lighting, emergency lighting, ventilation, hot/cold running water, electric sockets and telephone allowing internal and external communication. The First Aid Room should be sign-posted throughout the stadium and in such a position that is accessible to spectators, staff, and stewards, along with ready access for emergency vehicles.

**3.30** Bristol Rovers Football Club shall ensure that the equipment and medical supplies within the First Aid Room are always available for use during a 'Specified Activity'.

**3.31** Bristol Rovers Football Club shall employ one Crowd Doctor/Event Practitioner (in addition to any medical practitioner employed to treat players) to be present at each 'Specified Activity' which has an attendance of over 2,000 spectators and available to deal with any medical emergency at the stadium.

**3.32** He/she shall be trained and competent in advanced First Aid and hold the relevant qualifications as laid down in the Green Guide. He/she shall be present at the stadium before the public are admitted and at least one and a half hours before commencement of the 'Specified Activity' and must remain until half-an-hour after the end of the 'Specified Activity'. The Crowd Doctor/Event Practitioner will be based in the First Aid room for the duration of the "Specified Activity".

**3.33** Bristol Rovers Football Club shall arrange with a competent medical provider to supply the required level of medical personnel in accordance with the club's Medical Plan. For the avoidance of doubt an Ambulance Incident Manager from South Western Ambulance Service NHS Foundation Trust (SWAST) will be requested at a 'Specified Activity' where between 5,000 and full capacity spectators are expected.

## BRISTOL ROVERS FOOTBALL CLUB

### Contingency Plans

**3.34** In conjunction with the Safety Advisory Group, Bristol Rovers Football Club will develop contingency plans to deal with all foreseeable emergencies. These plans will identify appropriate individuals together with their respective tasks and will include precautions against electrical or mechanical failure. The Contingency Plans are held in the Control Room during a "Specified Activity".

### Maintaining of Records

**3.35** All documentation in respect of safety and duty of care will be maintained by Bristol Rovers Football Club and made available for inspection by the Safety Advisory Group for a minimum period of six years.

## 4. Version Control

**4.1** This policy will be reviewed and updated at least annually by the owner, and more frequently if necessary. Next review is June 2026.

**4.2** The Safety Officer will ensure this document is available on the Club SharePoint site including any interim updates.
